

ASA Archery Shooters Association

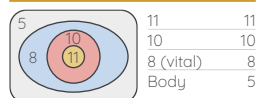

- 1 arrow per target (Pro/Am). 14: special shooting events only.
- Any shooter may announce the upper 12 before the shot. Once it is called, the lower 12 scores only 10 for that shooter on that target.
- Shaft touching a line: higher value.

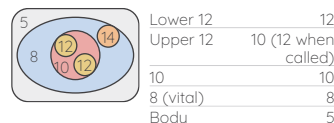

Schematic diagrams, not to scale. Values can vary by class and event: check your event's rules.

IBO International Bowhunting Organization

- The 11 is also called the X.
- A horn not touching body colour scores 0; legs and hooves count as body.
- Shaft touching a line: higher value.
